POPULARITY

## Use this package as a library

Depend on it

Run this command:

With Flutter:

```
$ flutter pub add flutter_pdfview
```

This will add a line like this to your package's pubspec.yaml  
(and run an implicit `flutter pub get`):

```
dependencies:  
  flutter_pdfview: ^1.3.2
```

Alternatively, your editor might support `flutter pub get`.  
Check the docs for your editor to learn more.

Import it

Now in your Dart code, you can use:

```
import 'package:flutter_pdfview/flutter_pdfview.da
```

Publisher

unverified uploader

Metadata

A Flutter plugin that provides a PDFView widget on Android and iOS.
